FISCAL MEMORANDUM

HB 2032 - SB 2026

March 14, 2022

SUMMARY OF BILL AS AMENDED (015475): Authorizes a dentist to administer a vaccine against the human papillomavirus.

FISCAL IMPACT OF BILL AS AMENDED:

NOT SIGNIFICANT

Assumptions for the bill as amended:

- Tennessee Code Annotated § 63-5-123 currently authorizes a dentist to administer the COVID-19 vaccination if they have received appropriate training. The proposed legislation adds the human papillomavirus vaccination to what a dentist is authorized to administer, so long as they receive appropriate training.
- Any additional training required by a dentist to administer vaccinations is expected to be privately funded and will not lead to any increase in state or local government expenditures.
